The Deputy Provincial Secretary and the Agent-General shall place the receptacles received by them respectively, immediately upon their receipt, in a suitable safe, vault, or strong-room, and no other person whomsoever shall have access to such place of safe-keeping until the same are taken therefrom by the said Deputy Provincial Secretary or Agent-General, as the case may be, for the purpose of counting the votes therein, when such receptacles shall be exhibited to the scrutineers present, with the seals intact.

7. In case of a poll being held under the provisions of clause (c) of subsection (1) of section 9 of the "Military Forces Voting Act," the affidavit required under the said clause shall be in Form B in the Schedule to the said Act.

#### PROVINCE OF BRITISH COLUMBIA.

##### "MILITARY FORCES VOTING ACT."

##### *Memorandum of Instructions for Presiding Officers and Deputy Presiding Officers.*

THE Act and this Memorandum of Instructions should be read carefully.

2. The ballots, envelopes, and other supplies, as soon as received, should be checked over, and a receipt given or sent for the same.

3. The oath of the Presiding Officer to faithfully perform his duties must be taken before a Notary Public or other official empowered to administer oaths. The form enclosed may be used for this purpose.

4. Notice of time and place where the Presiding Officer shall receive votes is to be given (sec. 4, subsec. 7), and such notice must specify the day, hour, and place, and be given as much publicity as possible. If a subsequent poll is to be taken at the same place, or if it is possible that such a poll might be taken, notice to that effect should be given at the same time.

5. When a volunteer applies for a ballot-paper, the following procedure *must* be observed:—

(a.) Fill out affidavit on envelope, being careful to strike out inapplicable words, and have applicant sign and swear same:

(b.) Hand applicant election ballot for the Electoral District which is indicated in his affidavit, and at the same time hand him prohibition referendum and woman suffrage referendum ballots, whether he asks for them or not. The applicant, of course, need not vote on these questions or either of them unless he wishes, or he may vote on either or both of them and not in the election. He must not, however, take any unused ballots away from the polling station, and if he vote in the election he cannot return later to vote on the question of Prohibition or Woman Suffrage, or vice versa. He must poll all the ballots he intends to poll at one and the same time:

(c.) Ballots must be marked in the presence of the Presiding Officer, but in such a manner as to prevent that official, or any other person, from seeing how such ballot is marked. The voter should fold the ballot or ballots, and himself place same in the envelope, which he should then securely close, and seal if he so desires:

(d.) Upon receiving the said envelope from the voter, the Presiding Officer should complete the certificate on the back of the same, and *forthwith*, and *in the presence of the voter*, place the same in the receptacle provided. No attempt to remove the envelope from the receptacle, when once it has been deposited therein, shall be made by any person whatsoever:

(e.) If the Presiding Officer has received information or has any reason to believe that an applicant is giving a fictitious name or address, or that his affidavit is untrue or misleading in any way, or that he is attempting to vote without having the right to do so under the provisions of the Act, the Presiding Officer shall not complete his certificate on the back of the envelope until the applicant has satisfied him, either by a certificate of identity from the Officer Commanding, or in some other way, as to the correctness of his statements. Presiding Officers are cautioned to exercise great care in this respect.

6. The receptacle must be carefully kept and guarded by the Presiding Officer while it is in his possession. If it is necessary to keep the poll open at any point for more than one day, the same must not leave his possession for a moment, and no other person shall have access to it under any pretext.

7. At the close of the poll the Presiding Officer must place in the receptacle a slip upon which is written the number of envelopes in the receptacle, and also his certificate in Form F. He must then carefully seal the receptacle in such a manner that

any tampering with the same would be apparent, and attach label or tag, "Soldiers' Votes." The receptacle should then be sent to the office of the Deputy Provincial Secretary in as safe a manner as possible.

8. In the case of an illiterate voter, the Presiding Officer must first swear him in the Form D in the Schedule to the Act, and then assist him to mark the ballot in the way he wishes.

9. The Presiding Officer will bear in mind that no poll is to be held or vote received later than the forty-second day next after the expiration of the day fixed for the nomination of candidates—that is, not later than September 14th, 1916.

At that time all receptacles not yet sent in must be forwarded to the Deputy Provincial Secretary, and all supplies of ballots, envelopes, and receptacles must be returned.

10. In case a voter who gives his last address as British Columbia is ignorant or uncertain as to which Electoral District he should vote in, the Presiding Officer shall assist him, consulting, if necessary, the map and list of districts and their boundaries with which he is supplied.

11. The Presiding Officer should take a memorandum of the places and dates where polls are held and the hours during which such polls were open to receive votes, and carefully preserve same.

12. The term "Presiding Officer" in the above rules includes Deputy Presiding Officers. au3

SIR,—

I have the honour to transmit to Your Royal Highness, for the information of your Ministers, a copy of a notice published in the press on the 15th June, containing information for the guidance of persons desiring to record:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

I have, etc.,

*His Royal Highness*  
*The Duke of Connaught and of Strathearn, K.G.,*

##### HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications

should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering upon the record claims of which particulars are supplied to him, and that in no way commits His Majesty's Government either to responsibility for the correctness of the claim entered or to taking any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public securities of those Governments held by the claimants, but other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

## DOMINION ORDERS IN COUNCIL.

[1419]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 15th day of June, 1916.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

**W**HIEREAS the Regulations for the administration of grazing lands in the Kamloops Division of the Railway Belt, in the Province of British Columbia, established by Order in Council, dated 13th May, 1910, do not make provision for the granting of leases for sheep grazing purposes and it is deemed desirable in the public interest to have such provision included in the said Regulations;

Therefore His Royal Highness the Governor-General in Council is pleased to order that the following amendments be made to the said Regulations, and the same are hereby amended accordingly, viz.:—

Clause 2 is amended to read as follows:—

2. A grazing lease may be granted to an applicant provided he is the actual owner of stock, for an area of land at the rate of sixty acres for each head of cattle, or five sheep, of which the applicant is the owner at the time of application, but no applicant shall be permitted to hold under lease by original application or by assignment more than a total area of 25,000 acres of Dominion lands. A statutory declaration shall be furnished as to the number of stock owned by the applicant at time of application to be placed on the leasehold.

Clause 6 is amended to read as follows:—

6. The lessee shall during each of the first three years from the date of the lease, place upon the tract leased not less than one head of cattle, or five sheep, owned by him, for every sixty (60) acres of land included in the lease, and shall thereafter during each remaining year of the term of lease maintain on the tract leased one head of cattle, or

five sheep, for every twenty (20) acres of land included in the lease.

Cattle means horses, cows, oxen, and bulls at least one year old.

The lessee shall, on the 1st day of July in each year, or as otherwise required by the Minister, furnish returns of the number of stock owned by him and placed upon the leasehold.

Clause 15 is amended to read as follows:—

15. The lessee may graze sheep on his leasehold, provided the sheep are confined within a sheep-tight fence.
